## The Corps

The Fifes and Drums of York Town were founded in honor of the 1976 U.S. bicentennial, to promote and represent the history of Yorktown. Our members, ages 10-18, come from all over Hampton Roads. No auditions or prior musical experience are required.

## Membership

Recruit classes usually begin in January, with members added from our waiting list as space allows. We strive to keep costs as low as possible. Monthly dues are \$35, plus initial fees to cover instruments and gear. During performances, recruits serve as flag and banner bearers. As members progress in skill and rank, they earn increased performance and leadership opportunities.

## Practice & Performances

Professional instructors guide our young musicians as they master a repertoire of 18<sup>th</sup>-century military field music. We hold weekly rehearsals and perform frequently in Yorktown. In addition to regular shows during the summer, the corps is featured year-round at community events such as parades, Independence Day celebrations, and Yorktown Day in October. We take our show on the road every year to places like Valley Forge, Independence Hall, Mount Vernon, and the U.S. Capitol.
